

meta100  
BRINGS EXTRA  
TO YOUR  
BUILDING

TK ELEVATOR  
MOVES PEOPLE -  
THE FUTURE OF  
URBAN MOBILITY

## meta100 brings extra to your building

meta100 is a value-for-money solution targeting mid-rise buildings in the residential segment, combining reduced construction costs and fast installation. With its reliable engineering and stylish car designs, meta100 provides peace of mind and brightens up spaces. As a result, meta100 brings extra to your building.

### **Makes business sense**

Reduced construction time means reduced construction costs. The smart, value-for-money choice.

### **Gives peace of mind**

TK Elevator engineering standards mean trusted reliability.

### **Brightens up your building**

Stylish car interiors designed to make your building stand out.

---

#### DESIGNED FOR

- Public and private residential mid-rise buildings

---

#### SPECIFICATIONS

- Max. travel height: ≤110m
- Max. number of floors: ≤32
- Rated load: 1,150kg
- Rated speed: ≤2.0m/s

# Makes business sense

meta100 is our practical, value-for-money mid-rise elevator designed to reduce construction costs and increase revenue.

## Finish your project in no time

Pre-assembled components plus a scaffold-free set up make installation safer and quicker.

## Reduce construction cost

Our bottom suspension system reduces shaft overhead size and overall building height.

## Maximise your revenue

Compact shaft dimensions give increased rentable floor space. A faster completion time hastens occupation and revenue from tenants.

# Gives peace of mind

Trusted TK Elevator engineering and stringent German design criteria deliver excellent reliability.

## 1 Trusted brake technology

2 safety switches automatically stop and report when brake and brake air gap exceed specified values. Reduces the need for unscheduled servicing.

## 2 Longevity of elements

Self lubricating, covered brake system for longer service life.

## 3 Optimal energy consumption

Standby mode reduces power consumption and improves energy efficiency.

## Brightens up your building

High quality engineering ensures a smooth in-car experience, made even brighter by a wide choice of car interiors.

### Fixtures

User friendly controls and panels make every passenger journey a delight.

### Accessories

Combine useful amenities such as mirrors, handrails, ceiling and lighting effects to complete the experience.

### Trends

Each of our cabins is crafted by our design team to enhance your building with complementary colors and finishes.

# STYLISH

Stylish interior design with a touch of luxury.

## 1 OCEAN

 Ceiling RAL 7035	 Side Wall RAL 5020	 Rear Wall RAL 1035 Metallic	 Front Wall RAL 1035 Metallic	 Door RAL 1035 Metallic
